

My BLH Experience

When it was my aunties wedding I stayed at the Balmer Lawn Hotel they had a tennis court, a swimming pool indoors and out, when you enter you will get a lolly, you can have a PS2 in your room, you can watch a DVD in your room, you can choose between a bunk bed a single bed or a Queen bed, you can watch the cricket and listen to the JAZZ on Sunday.

They have a restaurant called Beresfords. The food is great the best bit is the desurt. If you would like a mix of deserts you would ask for an assettie.

In the squash court you can play table tennis or squash. If you go to reception you can book a tennis lesson or a horse ridding lesson or you can hire bikes.

At a Wedding you can order 2 different meals at once dinner or breakfast. You can pay for more than one room at once. It costs from £100.10 pounds per room if you were looking for a special bed room you would ask for a suit. Room 30 and 27 are 2 of the suits. You can ask for a baby cot or bed.

Sometimes there is a car club meeting and you get to see all the old cars.
