THE NEW FOREST HOTEL

Barbeque and Spit Roast Menu

A Spit Roast or BBQ is a great way to make your celebrations a bit more relaxed. We serve both in a buffet style to allow your guests a choice on the day.

There is no need to worry about the weather as both of our Wedding suites have adequate space to serve your guests inside should the need arise.

Our Head Chef has put together a selection of buffets for you to build your ideal meal. They are all designed to be vegetarian friendly with the exception of the Caesar salad and loaded potatoes with bacon. Just choose your buffet and add your meat selection from the choice given.
